

Adopt the Community Code

Building and maintaining happy, safe, healthy, prosperous, inclusive, accountable and sustainable communities, benefits everyone.

- Everyone is equal
- Collaboration not competition
- Develop local partnerships
- Create and develop opportunities
- Support local businesses and services
- Invest in your community
- Be accountable to the community
- Serve the best interests of the community
- Address local needs
- Work to bring the community together
- Care for the environment
- Don't accept failure
- An inclusive Community is a happy and prosperous Community
- Engage and empower the community

Ensure everyone has equal opportunity to:-

- Influence decisions,
- Be as involved as they wish
- Shape the future of their community
- Hold those in authority to account
